Sir:

In response to the Notice mailed April 8, 2004, enclosed herewith please find a further amended Sequence Listing, which amends the amended Sequence Listing submitted with the Preliminary Amendment filed January 20, 2004, in light of requirements set forth in this Notice mailed April 8, 2004. In addition, noting the enclosed computer-readable copy, it is respectfully submitted that the paper copy and the computer-readable copy submitted herewith are identical.

In view of the foregoing, it is respectfully submitted that a full and complete response to the Notice mailed April 8, 2004, has now been submitted. Accordingly, acceptance of the Sequence Listing as presently amended, and passing of the above-identified application to the appropriate Technical Center for examination in due course, are respectfully requested.
